

# CORE COMPETENCY VIDEO PRE & POST PRODUCTION

## VIDEO PRE-POST PRODUCTION

Core Competency Video production provides complete script to screen video services for all your filming needs. We specialize in corporate, promotional, safety, and training videos. We also do documentaries and infomercials.

We can assist with writing, shooting, editing and any post production requirement. We can also work with any of your existing footage, stills or art files and combine them with new elements to create a video that will surpass your expectations.

Once your video is produced, we can deliver it in various formats. We can create a fully featured interactive DVD with features such as Chapter, Menu, Subtitles, and multilingual capability.
